

About us

Dilip Pendse & Mr Jitendra G. Joshi, Civil Engineer has also been associated with the technical execution of all Sai Infra projects since 2000.

Dilip Pendse

Dilip Pendse initially served in Asha Construction Company (Shri MT Gada) for 11 years from 1985 to 1995 and gained wide experience in construction of industrial sheds, residential bungalows, ownership apartments, educational institute buildings and commercial spaces. The last responsibility that he executed in that company was the residential bungalow of Dr NA Kalyani at Panchgani.

From 2004 to 2010, the firm was, apart from executing a number of construction projects in Pune, involved in hard finishes of several starred hotel properties in Khajuraho, Bangalore, Chennai and Alibaug
